What w.
Laden's
reveals

The grassroots innovators summit houses low-cost innovations for everyone – from agriculturists to weavers to home makers. The hall with exhibits from the Indian Space Research Organisation drew excited children.

Union Minister for Earth Sciences Harsh Vardhan, who inaugurated the festival, launched two books on science. A memorandum of understanding was signed between the All India Council of Technical **Education** and the International Institute of Waste Management to train educational institutions and students and improve their campuses
