

CSIR-STRUCTURAL ENGINEERING RESEARCH CENTRE Chennai-600113

Summer Internship for Under Graduate Engineering Students

CSIR-Structural Engineering Research Centre (CSIR-SERC) invites applications for Summer Internship during May/June 2026 from engineering students of recognized universities and engineering colleges.

Objective: To provide an excellent opportunity to engineering students to broaden their practical knowledge through interaction with scientists on current R&D projects and also by exposing them to state-of-the-art experimental facilities

Eligibility: Completion of 6th semester of B.E. / B.Tech. degree

Discipline: Civil, Mechanical, ECE, EEE, CSE & IT

Duration: 4 to 6 weeks during summer vacation (May to July, 2026)

Number of Internships (Max.): Civil Engineering - 60 nos.
Mechanical/ECE/EEE/CSE/IT - 15 nos.

Note: However, CSIR-SERC reserves the right to limit the number of internships within the maximum number by considering the number of ongoing projects and other associated factors.

Selection Process: A strict selection process will be followed in which merit will be taken into consideration besides fulfillment of eligibility criteria

Eligibility: Applicants should

- be a B.E. / B.Tech. student of Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), Information Technology (IT), and Computer Science Engineering (CSE) from recognized college / university
- have completed 6th semester of their degree
- have obtained more than 70% marks or 7.5 CGPA in the semester examinations held so far.

Application Procedure:

Online applications are invited from interested and eligible students for the internship. The following documents must be submitted with the application:

- Scanned copy of the **Bonafide Certificate/NOC** from the Head of the Institution / Head of the Department/Training and Placement Officer (TPO)
- Self-certified copies of mark sheets/grade cards and certificates of all semester examinations appeared so far

When to Apply:

Applications will be received online till **April 15, 2026** through <https://www.serc.res.in>. Interested applicants are advised to visit the News & Announcements section in the main page of the CSIR-SERC website. The list of selected candidates (including wait listed ones, if any) will be notified on CSIR-SERC website by **last week of April, 2026**.

Important:

- Applications submitted without the Bonafide Certificate from his/her institution (Head of Institution, Head of Department or TPO) **will be summarily rejected**.
- **The Internship do not carry any stipend.**
- The internship should be commenced on or before June 15, 2026 and should be availed for continuous period of 4-6 weeks without break.
- Interns have to be present in the CSIR-SERC campus during working days of the internship period
- The interns have to make their own arrangements for their stay during the period of internship.
- On successful completion of the internship, the interns will be provided with completion certificates.
- The applications should strictly conform to the requirements of the Internship. CSIR-SERC reserves the right to modify the number of internships due to internal reasons and ongoing programme/activities of the Institute. No further correspondence in this regard will be entertained.
