

Investigation on mechanical strength assessment of 400 kV Double Suspension String with Hardware fittings for M/s Allied Ceramics Private Limited, Kolkata, India.

M/s Allied Ceramics Private Limited, Kolkata, India., have referred to CSIR-Structural Engineering Research Centre, Chennai to investigate the mechanical strength of 400 kV Double Suspension String with Hardware fittings suitable for ACSR Quadruple Moose Conductor with P.A. Rods (with 2x120 kN Disc Insulator- 2 x 23 Discs) with hardware of **M/s IAC Electricals Pvt. Ltd., Kolkata.**

TESTING OF 400 kV DOUBLE SUSPENSION STRING
