

Investigation on mechanical strength assessment of 400 kV - 90 kN Single 'V' Suspension Insulator String with Hardware fittings for M/s Olectra Greentech Limited, Hyderabad, India.

M/s Olectra Greentech Limited, Hyderabad, India., have referred to CSIR-Structural Engineering Research Centre, Chennai to investigate the mechanical strength of 400 kV - 90 kN Single 'V' Suspension Insulator String with Hardware fittings suitable for ACSR Twin Moose Conductor with Hardware make of **M/s IAC Electricals Pvt.Ltd., Kolkata.**

TESTING OF 400 kV SINGLE 'V' SUSPENSION STRING
