| February | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| March | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |

| Id | Course Title | Course Coordinators | Id | Course Title | Course Coordinators |
|------|--|--|------|--|--|
| AC01 | Seismic Engineering and Testing | Dr. S. R. Balasubramanian and Shri J. C. Sunil | AC05 | Engineering Structures for Disaster Resilience Under Multi Hazard | Dr. C. Bharathi Priya and Dr. Mohit Verma |
| AC02 | Engineering of Special Concretes with Focus on Sustainability, Rheology and Microstructural Characterization | Dr. Prabhat Ranjan Prem and Dr. T. Hemalatha | AC06 | Transmission & Telecommunication Towers: Design, Retrofitting, and Future Trends | Dr. M. Saravanan and Shri S. Vinoth Krishnan |
| AC03 | Recent Advances in Concrete Technology and Durability of Concrete Structures | Dr. P.S. Ambily and Shri A.K. Farvaze Ahmed | AC07 | Artificial Intelligence and Drone Technology for Condition Assessment of Concrete Structures | Dr. K. Sivasubramanian and Shri Vimal Mohan |
| AC04 | Wind Loads and Effects on Structures | Dr. P. Harikrishna and Dr. M. Keerthana | AC08 | Advanced Structural Engineering and Digital Technologies for Sustainable Infrastructure | Dr. R.P. Rokade and Dr. A. Cinitha |
| | | | AC09 | INtegrated Sensing and Inspection for Global Health moniToring of Structures | Dr. B. Arun Sundaram and Shri S. Aravindan |
