CSIR-SERC Signs MoU with IEST Shibpur to Advance Collaborative Research and Innovation

प्रविष्टि तिथि: 17 AUG 2026 7:04PM by PIB Chennai

CSIR-Structural Engineering Research Centre (CSIR-SERC), a premier national laboratory under the Council of Scientific and Industrial Research, signed a Memorandum of Understanding (MoU) with the Indian Institute of Engineering Science and Technology (IEST), Shibpur. The ceremony took place at CSIR-SERC in the presence of Dr. N. Anandavalli, Director, CSIR-SERC, alongside Chief Scientists, officials, and Dr. Aparna Dey Ghosh, Professor of Civil Engineering and Dean (Planning and Development), IEST Shibpur.

The strategic partnership aims to bridge cutting-edge research in structural engineering, materials, and design technologies with academic excellence. Highlighting the initiative's vision, Dr. N. Anandavalli emphasized the importance of synergy between research institutions and academia to nurture future talent. Dr. Aparna Dey Ghosh noted that the collaboration will provide students and scholars with valuable exposure to high-impact projects. This agreement marks a significant step toward strengthening industry-academia linkages, promoting skill development, and accelerating technological innovation.
